On

“Interdisciplinary Studies in Education, Research and Technology” (ISERT 2021)

Organized by

“Laescuela Education”

On

24 - 27 February 2021

Venue:

Hyatt Place Dubai/Al Rigga, UAE

The Organizer cordially invites abstracts and full length research/review papers from all over the world to participate in the **International Conference on “Interdisciplinary Studies in Education, Research and Technology” (ISERT 2021)**. Topics of interest for submission include various subtheme, but are not limited to the conference aims. The aim of the ISERT 2021 conference is to provide a forum for laying the foundations of a new principled approach to Interdisciplinary research in Education, Technology, Engineering and Sciences, Humanities and Social Sciences, Business Administration. To this end, the meeting aims to attract participants with different backgrounds, to foster cross-pollination

between different research fields, and to expose and discuss innovative theories, frameworks, methodologies, tools, and applications for sustainable development. All contribution should be of high quality, original and not published elsewhere or submitted for publication. During the review period, papers will be reviewed by eminent scholars in the respective areas. All papers will be published in American International Journal of Research in Science Technology Engineering and Mathematics (AIJRSTEM).
